

BergaVin™

Cardiovascular and Lipid Metabolism Support*

CARDIOVASCULAR HEALTH*

BergaVin™ features the trademarked ingredients Bergavit® 40 bergamot and Vinia® red grape powder with research demonstrating their potential to support cardiovascular health.* These ingredients also support antioxidant status and promote a healthy inflammatory response.*

Bergamot is a citrus plant that grows almost exclusively in the narrow coastal Calabria region in southern Italy. Its unique profile of polyphenols has been shown to support antioxidant status in the body.*

Vinia® red grape powder consists of a complex of red grape cells from the red grape skins, flesh, pulp, and seeds that provide the full spectrum of nutrients and polyphenols found in red grapes and wine, including twice the level of resveratrol. This supports a healthy antioxidant status in the body and promotes a healthy inflammatory response to support cardiovascular health.*

Benefits*

- Supports cardiovascular health
- Supports antioxidant status
- Promotes a healthy inflammatory response

Recommended Use

Take 2 capsules daily with a meal or as directed by your health-care practitioner.

Vinia® is a registered trademark of BioHarvest, Ltd.

Bergavit® 40 is a registered trademark of BIONAP Srl.

Highlights

- 400 mg of bergamot as Bergavit® 40, standardized to contain 39% flavonoids
- 200 mg of Vinia® red grape powder providing the whole matrix of red grape nutrients and polyphenols to support antioxidant status*
