

Kids Essentials Multi Vitamin

A Uniquely Balanced Formula for Children*

Kids Essentials Multi Vitamin helps fill in nutritional gaps for children. Fussy eaters and children with specific health conditions may need extra help getting the vitamins and minerals that are crucial to their growth and development. Kids Essentials Multi Vitamin is a great-tasting formula that supports a wide spectrum of your child's wellness needs.*

Whole-Body Nourishment*

Our multivitamin is the first-ever product to contain six organic vegetables: kale, broccoli, brussels sprouts, cauliflower, spinach, and asparagus. In addition, Kids Essentials Multi Vitamin contains critical vitamins and minerals for a range of health benefits, including:

Vitamin A: Supports eye health*

B-Complex Vitamins: Help metabolize food into energy*

Vitamin C: Provides antioxidant support for healthy immune function and skin health*

Vitamin D: Supports strong and healthy bones and teeth in addition to providing immune health benefits*

Vitamin E: A powerful antioxidant that helps scavenge free radicals*

Folic Acid: An activated form, 5-Methyltetrahydrofolic acid, improves absorption and supports energy metabolism*

Calcium: Promotes strong bones and teeth*

Magnesium: Supports digestive health and physical energy*

Quatrefolic® is a registered trademark of Gnosis S.p.A U.S. Patent No. 7,947,662
